AJIYA
URBAN RISE LTD

PROPERTY CATALOGUE | ABUJA, NIGERIA

Creating opportunities.

Building lasting value.

Land, homes and investment opportunities across Abuja, from the first question to the finished place.

ABOUT AJIYA

A considered future *for property.*

AJIYA Urban Rise is a real-estate development, investment, property sales, property management and construction company based in Abuja, Nigeria. We focus on the ideas and details that make a place useful, secure and ready for the people who will shape its next chapter.

OUR MISSION

To become a leading real-estate company in Nigeria by providing affordable homes and valuable land investments.

OUR PHILOSOPHY

Creating opportunities.
Building lasting value.
Leaving a legacy.

FROM LAND TO LEGACY

01
Land
Begin with possibility.

02
Development
Shape it with intention.

03
Community
Make room for people.

04
Legacy
Let value endure.

The future is not a skyline.
It is a place people can belong to.

LEADERSHIP

Meet the *Managing Director.*

Rabiu Sa'idu Ajiya

MANAGING DIRECTOR / CEO | AJIYA URBAN RISE LTD

Rabiu Sa'idu Ajiya leads AJIYA Urban Rise, the Abuja real-estate development, investment, sales, management and construction company.

He also fronts "60 Seconds with the CEO", a short, recurring video check-in from the company.

THE AJIYA LINE

Dreams don't work unless you do.

ONE CONNECTED VIEW

Five ways *forward.*

From the first question to the finished place, our capabilities are joined by clear thinking and a long-term view of value.

01

Real Estate Development

OPPORTUNITY TO PLACE

From land opportunity to considered urban place, we plan and shape developments built for lasting value.

02

Property Sales

FIND YOUR FOOTING

Clear guidance for buyers exploring land, homes and residential opportunities across Abuja's evolving landscape.

03

Real Estate Investment

THINK IN HORIZONS

A long-term view of property and land investment, grounded in location, potential and the work behind value.

04

Property Management

VALUE, MAINTAINED

Practical support that helps property assets remain cared for, useful and positioned for the next chapter.

05

Construction

MAKE THE PLAN REAL

Development expertise translated into disciplined delivery, from the first line on a plan to the built environment.

THE CATALOGUE

Curated opportunity, *not endless inventory.*

INVEST WITH AJIYA

Think beyond today.
Build toward value.

We help investors see the property opportunity inside a location, a development and the work that makes a future more valuable.

01
Discover
See the opportunity

02
Evaluate
Understand the context

03
Invest
Take a considered step

04
Build value
Stay with the horizon

WHY CHOOSE US

Grounded enough to listen.
Ambitious enough to build.

01
Abuja rooted
We understand the city we are helping shape and the opportunities inside its growth.

02
One connected view
Development, sales, investment, management and construction work better when they speak to each other.

03
Clarity first
We make space for practical questions, so buyers and investors can move with better context.

04
Built for the long view
We care about the value a place can create after the first conversation.
